

School Health Services

2023-2024 School Year

Dear Parent/Guardian,

In partnership with HNH Immunizations (Health Heroes), it is our pleasure to offer on-site flu vaccinations to students this year on October 12, 2023. Flu clinics will be offered at each school location during school hours. Health Heroes flu vaccination clinics are completely voluntary and are offered to ALL consented students.

Why get a flu vaccine?

The best way to minimize or avoid the spread of flu is to get an annual flu vaccination. Each year the vaccine protects against new strains, therefore, the vaccine should be administered annually.

Who is HNH Immunizations Inc.?

At HNH Immunizations Inc., we specialize in on-site vaccination clinics. Vaccines are provided at **NO COST** to students, parents, schools or local/state government. We bill both Medicaid and private insurance with the exception of PEEHIP insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are recommended to help keep schools healthy and cut down on high absenteeism.

What type vaccines will be given?

IIV-4 injections will be available to all consented children who do not have any contraindicators. All vaccines given are preservative-free, mercury-free, Thimerosal-free and administered by state-licensed nurses.

What do you need to do to participate?

If you wish for your child to participate, please COMPLETELY fill out and sign a consent form. These forms need to be returned to school by October 6, 2023 to secure a dose for your child. Forms will be denied on the day of service. PEEHIP members are not eligible to participate in this clinic.

You can find more information at www.healthherousa.com. We hope to see your child in clinic!

Thank you!
