

### **Child Nutrition Program Weekly Update**

- We are excited to announce that Pelham City Schools was approved to feed all students breakfast and lunch at no cost through the United States Department of Agriculture Summer Food Service Program. This applies to students of all learning options. Students will be eligible for meals at no cost during scheduled school days through the end of the 2020 - 2021 school year, or until funding for the program is no longer available.

We strongly recommend families to continue to fill out free and reduced applications to ensure there is no lapse in coverage to those that qualify when the program ends.

#### **Important details include:**

- **Meal pick up is now only available at Pelham Park Middle School and Pelham High School.**
- **Pick up times will continue to take place on Wednesdays and pick up times will still be between 10:00 am and 12:00 pm.**

### **Free & Reduced Meal Applications**

- A new application is required each year to determine eligibility for free or reduced price meal benefits. Applications are now open for the 2020-2021 school year. Prior year applications expired on September 30. [Click here](#) for FAQs and a link to the online application.

### **Payment**

- To add funds to your child's account, you may send in cash or a check or pay online. You may fund your child's account with a credit/debit card or electronic check payment through My School Bucks, an online payment service at [www.myschoolbucks.com](http://www.myschoolbucks.com). My School Bucks can also be used to check your child's account activity and set up low balance notifications. [Click here](#) for more information regarding meal payments.

Thank you for allowing us to feed your children during this time. Let us know of any questions or concerns you may have and we will be happy to assist.
